

Wish List

New Beginnings relies on the generosity of the community to meet its mission to improve the lives of homeless youth and families in Maine.

Many of our programs provide meals, hygiene and school supplies, and basic household items for the young people we serve – we welcome donations year-round.

Please note that we do not generally accept used clothing or linens due to space and cleaning limitations. The Outreach program may accept specific used items at certain times – call 795-6831 to ask about current needs.
